

1. Extend red zones to 2 vehicle spaces at all roads and alleys (if not already)
2. Add underground interactive flashing crosswalk at Brighton
3. Add painted crosswalk at Cape May/Long Branch/Muir.
4. Extend red zone on North/West side of SSC from corner of Brighton to first curb cut

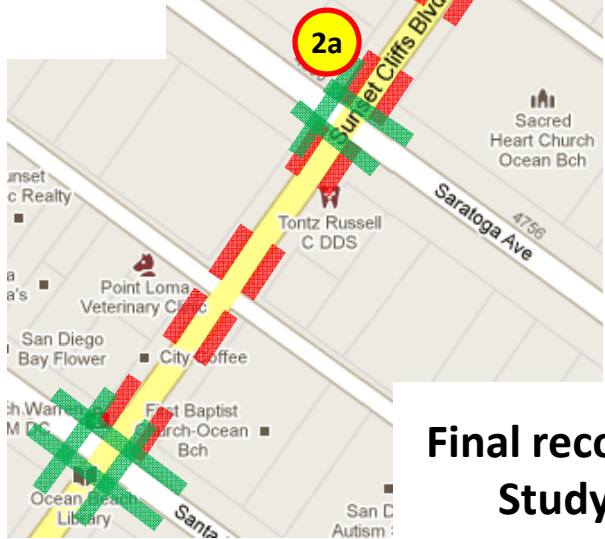

2a. Change Saratoga flasher to a “push to flash” crosswalk

8 7

5. Add interactive speed sign for southbound traffic
6. Add interactive speed sign for northbound traffic
7. Reduce speed limit on SSC prior to W Pt Loma to 35mph
8. Install rumble strips or dots on Sunset Cliffs north of West Point Loma in straight lane only
9. Install OB friendly “slow it down” sign

Note: green lines indicate existing crosswalks

Final recommendations of the Sunset Cliffs Traffic Study Committee of the OBPB 15May2010
